As for device requirements, Fortnite requires an iPhone SE/iPhone 6s or newer, or an iPad Pro, iPad Air 2, iPad Mini 4, or 2017 iPad.. It turns to do your digital video records on the same network In the App Store, Fortnite is marked as an "Invite Event," which means you can download it to your device, but you'll need an approved Epic Games account to get into the app.. You'll also be asked to pick which device you'll primarily be playing from before being added to the list.. Players who receive invites from Epic will also get friend invite codes to share with others.. Once you've been accepted into the game, you'll receive an email from Epic Games where you can activate your account and subsequently log into the Fortnite app on iOS.
